SKILLS AND EXPERTISE

Languages: Python, JavaScript, TypeScript, C++, SQL | **Product & Design:** Product Design, UI/UX, Interaction Design, Information Architecture, User Flows, Prototyping, Figma, Design Systems, Design-to-Code | **Frontend:** React.js, React Native, Next.js, HTML5, CSS3, Tailwind CSS, Expo | **Backend:** FastAPI, Node.js, Express.js, REST APIs, WebSockets, JWT Authentication | **AI & APIs:** Generative AI, Google Gemini, AI-Powered UX, Agentic Development, Prompt Engineering, LLM/API Integration, Third-Party API Integration | **Databases:** PostgreSQL, MongoDB, SQLite, Redis | **Tools:** Git, GitHub, Docker, Linux, VS Code, Postman, Vercel, Cloudinary | **Concepts:** Full-Stack Development, Component Architecture, API Design, Data Structures & Algorithms, OOP, DBMS

PROJECTS

Chalo: Hyperlocal Activity Platform | *React Native, FastAPI, PostgreSQL, Async SQLAlchemy, JWT, Docker*

- Building a mobile platform for discovering and joining nearby activities, with a React Native frontend and FastAPI backend organized around separate application modules.
- Implemented backend foundations including JWT-based authentication, asynchronous database workflows with PostgreSQL/SQLAlchemy, OTP generation and expiry handling, and API endpoints for user/activity workflows.
- Designed the project with a modular client-server architecture and Dockerized backend setup; actively extending features including verification, onboarding and activity discovery.

Wyrm Store: Full-Stack E-Commerce Platform | *React (Vite), Node.js, Express.js, MongoDB, JWT, Cloudinary*

- Built an end-to-end e-commerce application with secure authentication, role-based admin controls, product catalog, cart, checkout and order management workflows.
- Developed REST APIs for authentication, products, carts, orders and administrative operations, including user/role management, order status updates and sales analytics.
- Implemented image upload support through Cloudinary and built protected frontend routes for customer and

Multithreaded HTTP Server | *C, POSIX Sockets, pthreads, HTTP, Linux, Make*

- Built a lightweight HTTP server from scratch using TCP sockets and POSIX threads, accepting client connections and handling requests concurrently with a thread-per-client model.
- Implemented manual HTTP request parsing and response construction, static file serving, Content-Type handling and 404 responses.
- Created a Makefile-based build workflow and documented architecture and current limitations, including the next-step improvement of introducing a bounded thread pool.

TB Scout: Venture Intelligence Platform | *Next.js, TypeScript, Zustand, Tailwind CSS* | *Product Design & Development*

- Designed a research workflow for discovering and evaluating startups across country, sector, stage, valuation, funding, and growth signals turning a large dataset into a focused decision-making interface.
- Built interactive company profiles, valuation-growth visualizations, saved research, diligence notes, target lists, filtering, sorting, and CSV export to support an end-to-end research workflow.
- Implemented live domain enrichment and persistent client-side state, with reusable interface patterns for complex information-dense product surfaces.

POSITIONS OF RESPONSIBILITY

Design Sub-Head | Samudramanthan (OENA Dept Fest), IIT Kharagpur

November '24 - present

- Led the design vertical for the OENA departmental fest; created posters, banners, ID cards, certificates and digital creatives.

Maintainance & Socult Secretary | Rajendra Prasad Hall, IIT Kharagpur

August '24 - May '25

- Coordinated hall maintenance and student welfare; contributed to hall merchandise and design initiatives.

LEADERSHIP & ACHIEVEMENT

- Gold Medal (Team) --- Sketching Event, Inter-Hall General Championship, IIT Kharagpur.
- Design Team Member --- Finess (Fashion Design), Inter IIT Cultural Meet 7.0.
- NSO Coordinator --- Hockey & Health and Fitness, IIT Kharagpur.

toni8283 - Overview

Trying to communicate with my PC. toni8283 has 18 repositories available. Follow their code on GitHub.

Cinema AI | TypeScript, React | [GitHub](#)

- Developed a web interface for exploring cinema-related information with an interactive and responsive frontend.
- Built modular UI components using TypeScript and React to improve scalability and maintainability.
- Structured the frontend architecture to support API integration and future AI-powered features.

Finance Management Backend | Node.js, Express.js, SQLite, JWT, bcryptjs | [GitHub](#)

- Built a secure finance backend with JWT authentication and role-based access control (Admin, Analyst, Viewer).
- Developed REST APIs for user management, finance records, and dashboard analytics.
- Designed a modular architecture using services, middleware, and database layers for scalable development.

MERN E-commerce Platform | JavaScript, Node.js, Express.js, MongoDB | [GitHub](#)

- Built a full-stack e-commerce web application supporting product browsing and dynamic content rendering.
- Implemented backend REST APIs and database integration to manage product and application data.
- Developed responsive frontend pages to enhance user experience and navigation.

COMPETITIONS / PROJECTS

UI/UX & Frontend Design Projects | Independent Work

Frontend Web Projects (Self-Initiated)

- Designed and developed responsive static websites and webpages using HTML, CSS, and basic JavaScript.
 - Built a simple calculator web app, focusing on clean UI, DOM manipulation, and input validation.
- Fitness App UI/UX Prototype
- Designed a complete mobile fitness application prototype using Figma, covering user flows, wireframes, and high-fidelity screens.
 - Translated product requirements into intuitive UI components, improving usability and navigation clarity.

POSITIONS OF RESPONSIBILITY

Design Sub-Head | Samudramanthan (OENA Dept Fest), IIT Kharagpur November '24 - present

Samudramanthan 2025 is the 17th edition of India's premier Ocean Engineering and Naval Architecture technical fest, hosted by the Department of Ocean Engineering and Naval Architecture at IIT Kharagpur from March 21–23, 2025. The three-day event features workshops, competitions (e.g., Deep Sea Dispute), and industrial expert talks to foster innovation in marine technology.

- Led the design vertical for the Ocean Engineering & Naval Architecture departmental fest.
- Designed posters, banners, ID cards, certificates, and digital creatives.
- Contributed to event photography and overall visual identity of the fest

Maintainance & Socult Secretary | Rajendra Prasad Hall, IIT Kharagpur August '24 – May '25

- Held responsibilities for hall maintenance, coordination, and student welfare.
- Actively involved in social and cultural activities within the hall.
- Designed hall t-shirts, hoodies, and merchandise for Rajendra Prasad Hall.

AWARDS AND ACHIEVEMENTS

- Secured a rank under 18k among 2 Lakh+ eligible candidates in IIT JEE Advanced 2023.
- Stood among the top 10 percent of candidates among 15 Lakh+ candidates in JEE Mains 2023.
- 2nd Prize – Poster Making Competition, School Level (Class IX; competition included Classes I–XII).
- Gold Medal – 800m race, Annual School Sports Day.

EXTRACURRICULARS

Inter IIT Cultural meet 7.0| Gold Medal | Illumination(2nd position), Rangoli(2nd position)

- Design Team member in Finess(Fashion Design) for Inter IIT Cultural meet 7.0
- Gold Medal (Team) – Sketching Event, Inter-Hall General Championship (GC), IIT Kharagpur.
- Part of Rajendra Prasad Hall of Residence's Illumination Design & Rangoli team; worked on designs & sketching, Canva, Photoshop and Krita.
- Coordinator at National Sports Organisation, IIT Kharagpur unit – NSO Hockey (August 2024 - May 2025).
- Coordinator at National Sports Organisation, IIT Kharagpur unit – Health and Fitness branch (August 2023 – May 2024).

COMPETITIONS / PROJECTS

Chalo – Activity Discovery Platform | Product Management | UI/UX | Full Stack

- Identified the problem of social isolation among students and newcomers through user observation and market research.
- Defined the product vision, target users, MVP scope, and feature roadmap for an activity-based social discovery platform.
- Created user personas, user journeys, wireframes, and high-fidelity prototypes in Figma.
- Designed the MVP, user onboarding, authentication flow, activity discovery, and recommendation strategy in collaboration with engineering requirements.

RMgX Workspace | Product & UX Case Study

- Conducted user research and redesigned an internal employee workspace to simplify navigation and improve task management.
- Created information architecture, user flows, wireframes, and interactive prototypes.
- Standardized reusable UI components and documented design specifications to improve developer handoff and design consistency.

SKILLS AND EXPERTISE

Product Management: Product Strategy | Product Discovery | User Research | User Personas | User Journey Mapping | Feature Prioritization | Product Roadmapping | Product Requirement Documents (PRDs) | Agile | Scrum | Market Research | Competitive Analysis

 - Collaborated with organizing committees to maintain a consistent visual identity and support event planning and execution.
- Maintainance & Socult Secretary | Rajendra Prasad Hall, IIT Kharagpur

August '24 – May '25

 - Coordinated hall maintenance activities and acted as a liaison between students and the hall administration to resolve operational issues.
 - Organized student welfare initiatives and supported the planning and execution of social and cultural activities.
 - Coordinated cross-functional communication between organizing teams to ensure timely delivery of event assets.

AWARDS AND ACHIEVEMENTS

- Secured AIR under 18,000 among 2 lakh+ candidates in JEE Advanced 2023.
- Ranked in the top 10% of over 1.5+ million candidates in JEE Main 2023.
- Gold Medalist (Team) – Illumination, Inter IIT Cultural Meet 7.0, IIT Kharagpur.
- 2nd Place (Team) – Inter IIT Cultural Meet 7.0 (Fashion Designer), IIT Kharagpur.
- Gold Medal (Team) – Sketching Event, Inter-Hall General Championship (GC), IIT Kharagpur.

EXTRACURRICULARS

Inter IIT Cultural meet 7.0| Gold Medal | Illumination(2nd position), Rangoli(2nd position)

- Inter IIT Cultural Meet 7.0 | Gold Medal (Illumination) | 2nd Place (Rangoli)
- Collaborated with a multidisciplinary team to conceptualize and execute award-winning installations for Inter IIT Cultural Meet 7.0.
- Contributed to planning, coordination, and timely execution under strict event deadlines.
